WSHNA's 25 Anniversary is here!

Greetings fellow negotiators, WSHNA 25 will be here before you know it. Reno is going to provide us as an association with the unique opportunity to present more critical incidents debriefs than ever before.

I would like to encourage those of you who have critical incidents to debrief to submit your presentations for review for our 25th Anniversary Conference.

I am a firm believer in that the strength of WSHNA comes from its membership. As presenters you can provide your fellow members with insight into critical crisis incidents that you and your team handled and the valuable lessons learned.

If you or your team has a presentation you would like to present at WSHNA's 25th Anniversary Conference please complete the simple informational sheet and email it to me. I will present it to the conference committee for review.

Thank You,

Brian Prevett
